

Quarterly Update

June 2024

From the Draft EIR/EIS: Simulation of the South Tunnel Portal and Approach proposed as part of Alternative F

LCG Updates

These updates are intended to help communicate the variety and complexity of activities going on in the field and behind the scenes to help Caltrans avoid and minimize impacts while identifying a long-term solution for Last Chance Grade.

Recent and Current Activities

- Stakeholder group meetings to discuss Preferred Alternative selection held on May 16 and June 12, 2024
- Announcement of Alternative F as Selected Alternative
- Beginning development of Final Environmental Document (FED)
- Beginning Construction Manager / General Contractor (CMGC) procurement process

Decisions

- Alternative F chosen as Selected Alternative
